00:56:23.214 --> 00:56:36.385

We are looking at that also and we are also bulk consumer electric and electrical equipments and which we basically have E, waste management tools 2016. he's up there and the waste scene.

428 "SAIL AGM" (682854656)

00:56:36.385 --> 00:56:44.905

Since it's a big company complex operations, we have, we do have a lot of genetic. do have a lot of genetic

429 "SAIL AGM" (682854656)

00:56:45.570 --> 00:56:56.520

But it's in the in the ask for the policy in the best safe practice. So that environment is not impacted. We do the waste disposal.

430 "SAIL AGM" (682854656)

00:56:56.520 --> 00:57:08.970

8 question regarding CSR. Hello? Last year 94.24 uh, we have already said in the chairman statement.

431 "SAIL AGM" (682854656)

00:57:08.970 --> 00:57:13.470

And also you have asked about how much fire or data inspection has been done.

432 "SAIL AGM" (682854656)

00:57:13.470 --> 00:57:25.980

Inspection do why in the fire audit me starting the Lightspeed part we have done around 506 inspection and fire prone areas to small plants like CSP. We have done around 6.

433 "SAIL AGM" (682854656)

00:57:25.980 --> 00:57:37.975

Uh, so, depending on the place, and depending on how much how 5 parameters we do our fire inspections. You are also very important point to have raised is what is the gender issue?

434 "SAIL AGM" (682854656)

00:57:38.395 --> 00:57:50.605

What are we doing towards reducing the gender issue? Where, at present the 16 male to 1, female apply dismiss as on date we have as a 122 we have around 30,690 women in place but and and the total representation.

435 "SAIL AGM" (682854656)

00:57:50.605 --> 00:57:55.915

women in place but and and the total representation

436 "SAIL AGM" (682854656)

00:57:55.980 --> 00:58:03.390

Is around 6.05% and executives, it's 5.6+uh in non executives. It is. Uh.

437 "SAIL AGM" (682854656)

00:58:03.390 --> 00:58:07.950

5.6% in equity, which is a slide better at 8.63%.

438 "SAIL AGM" (682854656)

00:58:07.950 --> 00:58:16.650

Ah, percentage here, we have slightly improved our previous year this last year it was 520 and this year.

439 "SAIL AGM" (682854656)

00:58:17.605 --> 00:58:31.825

Uh, we have been able to increase as on 122 it was 5.99% so also a large with a large employee base, a small increases encouraging, but we have to do much more. Now, we find women are opting to work in the challenging roles of same.

440 "SAIL AGM" (682854656)

00:58:31.825 --> 00:58:46.645

Suddenly the equal opportunity employer, but what happens is in the in, in companies, like, in steel, or there is a, the horizontal like, the last 1 is SMS. Uh, mine's also challenging. last one is sms uh mine's also challenging

441 "SAIL AGM" (682854656)

00:58:46.650 --> 00:58:55.050

So, in this challenging areas, we earlier used to find women were less, not much interested. So, but now we find that we might have.

442 "SAIL AGM" (682854656)

00:58:55.050 --> 00:59:02.760

Has started showing a lot of interest. We have a lot of women working in the shop. We have even have women also.

443 "SAIL AGM" (682854656)

00:59:02.760 --> 00:59:13.015

So, a lot of initiatives we have been taking to encourage women. Both our policies have no implement candidate. Jessica normal. Hey, there's a maternity leave and provisions of restroom, though.

444 "SAIL AGM" (682854656)

00:59:13.015 --> 00:59:27.355

Normally, beyond that, what we have done is childcare policies, practically policy, charter, working, period policy. Then we have the sexual harassment at workplace, prevention of sexual harassment of workplace policies also being followed.

445 "SAIL AGM" (682854656)

00:59:27.690 --> 00:59:41.730

You have also spoken about physically challenged what are we doing for P. W. D. we, we follow the policies. Not only from the policies. We try to be more.

446 "SAIL AGM" (682854656)

00:59:41.730 --> 00:59:53.190

More positive towards to provide a positive environment and encouraging environment for the P. W. D. and, uh, we have a relaxation of maximum H.

447 "SAIL AGM" (682854656)

00:59:53.190 --> 01:00:00.450

For P. W. D. and, uh, for the interviews we were traveling expenses are paid.

448 "SAIL AGM" (682854656)

01:00:00.450 --> 01:00:12.985

Well, we have friendly parking areas, wheelchair, accessible, doorways, medical, support, this factory units by medical facilities. In July.

449 "SAIL AGM" (682854656)

01:00:12.985 --> 01:00:18.205

In fact, we have a specific playground also, which is people with disabilities.

450 "SAIL AGM" (682854656)

01:00:18.510 --> 01:00:28.590

So, uh, we hope in the times to come, we can increase the repair the type, the, how much more we can do for the people with physical challenge.

451 "SAIL AGM" (682854656)

01:00:30.780 --> 01:00:36.060

I think anything else that you would like, you have a question of that would be all.

452 "SAIL AGM" (682854656)

01:00:36.445 --> 01:00:50.695

You have asked about booster those also and booster those we are, we are having camp we are having camps, organizing vaccination times travel the benefit of the boost of explanation program of the government of India.

453 "SAIL AGM" (682854656)

01:00:50.875 --> 01:00:51.865

1 career.

454 "SAIL AGM" (682854656)

01:00:52.200 --> 01:01:00.930

And, uh, so, and you have also asked about what we are doing in terms of, uh, tax dispute.

455 "SAIL AGM" (682854656)

01:01:00.930 --> 01:01:14.460

We have, uh, we are, uh, we've, we've also discussed, uh, we have taken, we have taken advantage of this and around 35 income tax related cases. We have solved in in 2020.

456 "SAIL AGM" (682854656)

01:01:14.460 --> 01:01:23.880

And 3 times dispute with government of Brisbane also was settled under dispute under the, and the settlement of dispute 2020.

457 "SAIL AGM" (682854656)

01:01:23.880 --> 01:01:31.590

So, we can we keep on following up with the various governments to see what best all the pending cases how best we can solve it.

458 "SAIL AGM" (682854656)

01:01:31.590 --> 01:01:34.980

Uh, with all the state comments, we have been doing that.

459 "SAIL AGM" (682854656)

01:01:34.980 --> 01:01:38.490

587 "Bharat Raj Kankanala" (3196669440)
01:19:54.925 --> 01:20:08.455
Recently, you know, in there is a lot of issues are going on tomorrow. It may be happening. Insane. So how you want to take care of our employees,

3rd, Madam chairman and entire board of directors. We are always, we think we support all the resolutions. resolutions

591 "SAIL AGM" (682854656)

01:20:36.265 --> 01:20:49.105

Thank you. Bye. And so far you spoke on disinvestment. We are not we have not been told about any disinvestment other than the 3 plans, which are under this investment.

592 "SAIL AGM" (682854656)

01:20:49.375 --> 01:21:04.225

That is the Salem steel plant, and the BSL and the steel plant, whether which were approved for this investment. We have not we are not aware of any other disinvestment. We have not been told about any other disinvestment plans.

593 "Bharat Raj Kankanala" (3196669440)

01:21:04.530 --> 01:21:11.280

My my question is that I prefer government plans to do the syllabus and failover.

594 "Bharat Raj Kankanala" (3196669440)

01:21:11.280 --> 01:21:17.550

How you feel the challenge that is my Christian motto is a sale will be also distinguished acquainted.

595 "Bharat Raj Kankanala" (3196669440)

01:21:17.550 --> 01:21:21.480

Is the management and the was ready to give to the privatization.

596 "SAIL AGM" (682854656)

01:21:21.480 --> 01:21:28.590

That is my question. Well, actually, the decision would be the promoters and the promoters is actually the.

597 "SAIL AGM" (682854656)

01:21:28.590 --> 01:21:42.205

Uh, the government major promoters, major stakeholders, major promoter would be the government and I'm sure all this will be taken care if, and if at all, but as of now, I would not really say anything, because we have not in the disinvestment right now,

598 "SAIL AGM" (682854656)

01:21:42.745 --> 01:21:48.715

but when you spoke about this investment the government promoter does take care of all that.

599 "Bharat Raj Kankanala" (3196669440)

01:21:48.990 --> 01:21:55.890

And I'm sharing my name any future plans of expressing, and any other part of the country Madam.

600 "SAIL AGM" (682854656)

01:21:55.890 --> 01:21:56.725

That is the last question?

601 "SAIL AGM" (682854656)

01:21:57.955 --> 01:22:11.935

See any part right now we have not really looked into any greenhouse Greenfield product expansion right now major expansion in Greenfield mode because our existing land banks are therefore, the expansion and.

602 "SAIL AGM" (682854656)

01:22:12.210 --> 01:22:15.930

I dunno minds are close to the existing landlines.

603 "SAIL AGM" (682854656)

01:22:15.930 --> 01:22:30.085

So, to do it in any other place, where you again have a problem of, I don't know transportation is also a lot of costs. So, since we already have land bank and land, getting free land is also a major. It's also a cost and also issues.

604 "SAIL AGM" (682854656)

01:22:30.265 --> 01:22:39.385

So, since we have existing landmark, 1st, we would like to take up with the existing land and only when they are, that is done with, then we may think of others right now. We have no plans.

605 "SAIL AGM" (682854656)

01:22:41.940 --> 01:22:47.460

Thank you so much. Thank you. You can start.
