

## FAQs for Super Top-Up Facility under SAIL Mediclaim Scheme (2020-21)

### SALIENT FEATURES OF THE POLICY

- This Policy covers In-Patient Hospitalisation Expenses incurred in India.
- This policy will respond only when the aggregate of all Hospitalisation expenses (including Pre / Post hospitalization expenses) of one or all members of the policy in one or multiple claims, exceeds the “Threshold” i.e. the SI under the basic policy.
- This Policy will respond for each and every Hospitalisation after the Threshold has been exceeded by previous Hospitalisation expenses subject only to the Sum Insured as opted by the insured.
- The Sum Insured opted under Top-Up is the maximum liability of the company for all members/Member+Spouse.
- Thus, this Policy offers protection in excess of any Base Policy SI of SAIL GMC.
- If there is any expense in excess of Threshold, receivable from any other entity, the Insured Person has an option to recover it from either that entity or this policy, but not both.
- However, the Sum Insured under the policy will be available over and above any reimbursement received from any other entity if such amounts exceed the Threshold.

### WHO CAN TAKE THE POLICY

- Any member covered under SAIL GMC Base Policy. Selection is not allowed i.e. in case both Self and spouse is covered in the base policy and if opts for Top-up then both needs to be necessarily covered under Top-Up policy.
